

### **3. Staff:Child Ratios and Students**

#### **3.1 Staffing**

##### **Policy statement**

St Mary's Nursery, Camberley provides a staffing ratio in line with the Safeguarding and Welfare Requirements of the Early Years Foundation Stage to ensure that children have sufficient individual attention and to guarantee care and education of a high quality. Our staff are appropriately qualified, and we carry out checks for enhanced criminal records and barred list checks through the Disclosure and Barring Service in accordance with statutory requirements.

##### **Procedures**

To meet this aim we use the following ratios of adult to children:

- Children aged two years: 1 adult : 5 children:
  - at least one member of staff holds a full and relevant level 3 qualification; and
  - at least half of all other staff hold a full and relevant level 2 qualification.
- Children aged three years and over: 1 adult : 8 children:
  - at least one member of staff holds a full and relevant level 3 qualification; and
  - at least half of all other staff hold a full and relevant level 2 qualification.
- We follow the Early Years Foundation Stage Safeguarding and Welfare Requirements where a Qualified Teacher, Early Years Professional or other suitable level 6 qualified person is working directly with children aged three and over between the hours of 8am and 4pm as follows:
  - there is at least one member of staff for every 13 children; and
  - at least one other member of staff holds a full and relevant level 3 qualification.

- The number of children for each key person takes into account the individual needs of the children and the capacity of the individual key person to manage their cohort.
- We only include those aged 17 years or older within our ratios. Where they are competent and responsible, we may include students on long-term placements and regular volunteers (aged 17 or over) and apprentices (aged 16 or over), where we deem them to be suitably qualified and experienced.
- A minimum of two staff/adults are on duty at any one time; one of whom is either our manager or deputy.
- Our manager deploys our staff, students and volunteers to give adequate supervision of indoor and outdoor areas, ensuring that children are always within sight and hearing of staff.
- All staff are deployed according to the needs of the setting and the children attending.
- Our staff, students and volunteers inform their colleagues if they have to leave their area and tell colleagues where they are going.
- Our staff, students and volunteers focus their attention on children at all times and do not spend time in social conversation with colleagues while they are working with children.
- We assign each child a key person to help the child become familiar with the setting from the outset and to ensure that each child has a named member of staff with whom to form a relationship. The key person plans with parents for the child's well-being and development in the setting. The key person meets regularly with the family for discussion
- and consultation on their child's progress and offers support in guiding their development at home.
- We hold regular staff meetings to discuss children's progress, their achievements and any difficulties that may arise from time to time.

## 3.2 Student Placements

Qualifications and training make an important contribution to the quality of care and education. As part of our commitment, we may offer placements to students undertaking relevant qualifications/training. We aim to provide students experiences that will contribute to the successful completion of their studies and provide examples of quality practice in early years care and education.

- The setting manager ensures that students meet the 'suitable person' requirements.
- The setting manager discusses the aim of the placement with the student's tutor prior to the placement commencing. The expectations of both parties are agreed at this point.
- The good character of students under 17 years old is vouched for by the establishment that places them, the setting manager must be satisfied that all relevant checks have been made.
- Students do not have unsupervised access to children.
- Students and apprentices who are undertaking L3 or above may be counted in ratios if the setting manager is convinced that they are suitably experienced.
- Employed trainee staff over the age of 17 may be included in staffing ratios if deemed competent.
- Staff working as apprentices (aged 16 or over) may be included in staffing ratios if deemed competent.
- Public liability and employer's liability insurance is in place that covers students and voluntary helpers.
- Students are aware of confidentiality.
- Student induction includes how the setting and sessions are managed, and policies and procedures, in particular safeguarding, confidentiality and health and safety.
- Appropriate members of staff co-operate with students' tutors to assist them in fulfilling the requirements of their course of study.

- The setting communicates a positive message to students about the value of qualifications and training.
- The needs of the children and their families remain paramount at all times and students are only admitted in numbers that do not hinder the work of the setting.
- The setting manager ensures that students and trainees on placement are engaged in bona fide early years training, which provides the necessary background understanding of children's development and activities.
